Opening General Session
League Legislative Team Breaks It Down

Siting Renewable Energy: The Ins and Outs of Options for Local Governments

Breakout Session: Wednesday 1:30-2:30

- **Public Act 233 and 234 of 2023 brought sweeping changes to the landscape of renewable energy in Michigan, specifically, to the role of local governments. Join us for a conversation on one of the most significant changes: the creation of the compatible renewable energy ordinance**

Speaker

- **Dr. Sarah Mills, Director, Center for EmPowering Communities, University of Michigan**

Collective Bargaining and Changes in Your Communities

Breakout Session: Wednesday 1:30-2:30

- The Michigan Legislature passed several bills this session that will change the topics and requirements local governments must entertain from labor organizations and during collective bargaining. More bills are slated for legislative discussion in 2024. What does this mean for your community?

Speaker

- Brandon Fournier, Partner, Shifman Fournier

Revenue Sharing Trust Fund: HB 4274 & 4275

- 1. Creates the Revenue Sharing Trust Fund and dedicates 8% of the 4% sales tax to statutory revenue sharing**
- 2. Creates a new funding category that would restore payments to 1091 townships and 44 villages**
- 3. Remaining balance would be distributed to the CVTs and counties currently receiving statutory revenue sharing payments in the same proportion and the FY23/24 budget**
