Go Green Preference

You are currently receiving your correspondence via U.S. mail.
How would you like to receive your correspondence?

Go Green  Paper

Correspondence will be sent to this email:
bab.brouilette@canton-mi.org

Choosing electronic correspondence means that all decisions, fact-finding questionnaires, letters, inquiry responses, and notifications will only be sent to your MWAM account. Each time correspondence is posted to your MWAM account, a notice is sent to the email address you have provided.

By checking “Go Green” you agree to receive all communications electronically through MWAM and understand that it is your responsibility to monitor your MWAM account for any correspondence from UI.

Go Green Agreement

1. I agree to receive my correspondence from Unemployment Insurance (UI) through my Michigan Web Account Manager (MWAM) account at www.michigan.gov/uia instead of through U.S. mail. This contact method is referred to as “Go Green”.

2. I understand that UI must routinely check my MWAM inbox for correspondence. UI will send courtesy emails to the primary email address about new correspondence (letters) which can be viewed at anytime by logging into the MWAM account.

3. I understand that UI reserves the right to contact me by other methods in addition to Go Green correspondence.

4. I understand that if I want to discontinue receiving my correspondence via Go Green, I must log into my MWAM account at www.michigan.gov/uia and change my Go Green preference.

5. I understand that UI reserves the right to discontinue sending correspondence via Go Green.

6. I understand that if UI discontinues sending correspondence via Go Green, correspondence via posted mail will be used to contact me until I change my Go Green preference.

7. If you have any questions or concerns about your email correspondence, please contact UI.

8. If at any time you wish to receive your correspondence via U.S. mail and opt out of receiving UI correspondence electronically, please select Paper as your preferred method of receiving correspondence.
