## EXECUTIVE ORDER

No. 2020-176

Safe Start

### Rescission of Executive Orders 2020-160 and 2020-162

Where Michigan was once among the states most heavily hit by COVID-19, our per-capita rate of new daily cases is now well below the national average. Our progress in suppressing the disease has plateaued. Michigan's seven-day case positivity rate has remained between 3.0% and 3.5% since early June. And although cases have continued to rise slightly—from a rolling seven-day average of 612 cases per day on July 25 to 745 cases per day on August 25—so has our testing volume.

Recognizing the need for ongoing vigilance, this plateau allows us to carefully and deliberately relax some restrictions. An incremental approach—where some activities reopen before others—is essential to avoiding uncontrolled spread, measuring the result of changes, and allowing our gradual reopening to continue. This order therefore allows for organized sports competitions to resume, if organizers take appropriate precautions. It also allows for gyms and pools to reopen across the state, subject to stringent safety protocols.

Additional safeguards specific to the workplace can be found in Executive Order 2020-175 or any order that may follow from it.

The novel coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death. It is caused by a new strain of coronavirus not previously identified in humans and easily spread from person to person. There is currently no approved vaccine for this disease.

On March 10, 2020, the Department of Health and Human Services identified the first two presumptive-positive cases of COVID-19 in Michigan. On that same day, I issued Executive Order 2020-4. This order declared a state of emergency across the state of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, 1976 PA 390, as amended (EMA), MCL 30.401 et seq., and the Emergency Powers of the Governor Act of 1945, 1945 PA 302, as amended (EPGA), MCL 10.31 et seq.

Since then, the virus spread across Michigan, bringing deaths in the thousands, confirmed cases in the tens of thousands, and deep disruption to this state's economy, homes, and educational, civic, social, and religious institutions. On April 1, 2020, in response to the widespread and severe health, economic, and social harms posed by the COVID-19 pandemic, I issued Executive Order 2020-33. This order expanded on Executive Order 2020-4 and declared both a state of emergency and a state of disaster across the State of Michigan under section 1 of article 5 of the Michigan Constitution of 1963, the Emergency Management Act, and the Emergency Powers of the Governor Act of 1945. And on April 30, 2020, finding that COVID-19 had created emergency and disaster conditions across the State of Michigan, I issued Executive Order 2020-67 to continue the emergency declaration under the EPA, as well as Executive Order 2020-68 to issue new emergency and disaster declarations under the EMA.

Those executive orders have been challenged in Michigan House of Representatives and Michigan Senate v. Whitmer. On August 21, 2020, the Court of Appeals ruled that the Governor's declaration of a state of emergency, her extensions of the state of emergency, and her issuance of related EOs clearly fell within the scope of the Governor's authority under the EPGA.

On August 7, 2020, I issued Executive Order 2020-165, again finding that the COVID-19 pandemic constitutes a disaster and emergency throughout the State of Michigan. That order constituted a state of emergency declaration under the Emergency Powers of the Governor Act of 1945. And, to the extent the governor may declare a state of emergency and a state of disaster under the Emergency Management Act when emergency and disaster conditions exist yet the legislature had declined to grant an extension request, that order also constituted a state of emergency and state of disaster declaration under that act.

The Emergency Powers of the Governor Act provides a sufficient legal basis for issuing this executive order. In relevant part, it provides that, after declaring a state of emergency, "the governor may promulgate reasonable orders, rules, and regulations as he or she considers necessary to protect life and property or to bring the emergency situation within the affected area under control." MCL 10.31(1).

Nevertheless, subject to the ongoing litigation and the possibility that current rulings may be overturned or otherwise altered on appeal, I also invoke the Emergency Management Act as a basis for executive action to combat the spread of COVID-19 and mitigate the effects of this emergency on the people of Michigan, with the intent to preserve the rights and protections provided by the EMA. The EMA vests the governor with broad powers and duties to "cop[e] with dangers to this state or the people of this state presented by a disaster or emergency," which the governor may implement through "executive orders, proclamations, and directives having the force and effect of law." MCL 30.403(1)–(2). This executive order falls within the scope of those powers and duties, and to the extent the governor may declare a state of emergency and a state of disaster under the Emergency Management Act when emergency and disaster conditions exist yet the legislature has not granted an extension request, they too provide a sufficient legal basis for this order.

Acting under the Michigan Constitution of 1963 and Michigan law, I find it reasonable and necessary, for the reasons outlined above, to order:

1. **Remote work.** Except in Regions 6 and 8, any work capable of being performed remotely (i.e., without the worker leaving his or her home or place of residence) must be performed remotely. Although not required, in Regions 6 and 8, any work capable of being performed remotely should be performed remotely.
2. **Individual responsibility.** Any individual who leaves his or her home or place of residence must:
  - (a) Follow social distancing measures recommended by the Centers for Disease Control and Prevention (“CDC”), including remaining at least six feet from people from outside the individual’s household to the extent feasible under the circumstances; and
  - (b) Follow the rules described in Executive Order 2020-153, Masks, or any order that may follow from it.
3. **Public accommodations restrictions.** Subject to the exceptions in section 8 (“Regions 6 and 8”) and 9 (“Exceptions”), the following places are closed to entry, use, and occupancy by members of the public:
  - (a) Indoor theaters, cinemas, and performance venues;
  - (b) Until September 8, 2020 at 11:59 pm, indoor gymnasiums, fitness centers, recreation centers, sports facilities, exercise facilities, exercise studios, and the like;
  - (c) Millionaire Parties licensed by the Michigan Gaming Control Board; and
  - (d) Except as provided in subsection (e) of this section, indoor services or facilities, or outdoor services or facilities involving close contact of persons, for amusement or other recreational or entertainment purposes, such as amusement parks, arcades, bingo halls, bowling alleys, indoor climbing facilities, indoor dance areas, roller rinks, ice rinks, trampoline parks, carnival or amusement rides as defined by MCL 408.652(2), waterparks, and other similar recreational or entertainment facilities.
  - (e) Bowling alleys, roller rinks, and ice rinks may be open for the sole purpose of serving as a venue for organized sports under section 7 of this order.
4. **Bars.** Food service establishments, as defined in section 1107(t) of the Michigan Food Law, 2000 PA 92, as amended, MCL 289.1107(t), that hold on-premises retailer licenses to sell alcoholic beverages must close for indoor service if they earn more than 70% of their gross receipts from sales of alcoholic beverages (for purposes of calculating gross receipts, sales of lottery tickets do not count because they are remitted to the state, although commissions, incentives, bonuses and other payments from the Michigan Lottery do count).

- (a) Food service establishments that are closed for indoor service but open for outdoor service must prohibit patrons from entering the establishment, except to walk through in order to access the outdoor area, to leave the establishment, or to use the restroom.
- (b) For purposes of calculating its percentage of gross receipts from sales of alcoholic beverages under this section, a food service establishment must use:
  - (1) Gross receipts from 2019; or
  - (2) If the establishment was not in operation in 2019, gross receipts from the date the establishment opened in 2020.

5. **Liquor license restrictions.** Dance and topless activity permits issued under subsections 2 or 3 of section 916 of the Michigan Liquor Control Code, 1998 PA 58, as amended, MCL 436.1916(2) and (3), are temporarily suspended. Combination dance–entertainment permits and topless activity–entertainment permits issued under subsection 4 of section 916 of the Michigan Liquor Control Code, MCL 436.1916(4), are suspended to the extent they allow dancing and topless activity, but remain valid to the extent they allow other entertainment.

- (a) In enforcing the Michigan Liquor Control Code, the Michigan Liquor Control Commission will consider whether the public health, safety or welfare requires summary, temporary suspension of a license under section 92(2) of the Administrative Procedures Act of 1969, 1969 PA 306, as amended, MCL 24.292(2).
- (b) Nothing in this order or in the Executive Order 2020-175, Workplace Safeguards, prevents food service establishments from selling alcoholic beverages for off-premises consumption to patrons who are not seated at a table, or requires such patrons to remain seated when ordering such beverages.
- (c) Nothing in this order or in Executive Order 2020-175, Workplace Safeguards prevents the holder of a social district license under section 551 of the Michigan Liquor Control Code, 1998 PA 58, as amended, MCL 436.1551 from selling alcoholic beverages for consumption in a commons area within a designated social district to patrons who are not seated at a table, or requires such patrons to remain seated when ordering such beverages.

6. **Gatherings, events, and large venues.**

- (a) Except in Regions 6 and 8 (see section 8), social gatherings and organized events among persons not part of the same household are permitted provided that organizers and venues ensure that:

- (1) Persons not part of the same household maintain six feet of distance from one another, including by designing the gathering or event to encourage and maintain social distancing;
  - (2) If a gathering or event is indoors, it does not exceed 10 people; and
  - (3) If a gathering or event is outdoors, it does not exceed 100 people.
- (b) Subsection (a) applies to workplace gatherings and events (such as meetings and trainings), but does not apply to the incidental gathering of persons in a shared space, including an airport, bus station, factory floor, restaurant, shopping mall, public pool, or workplace.

## **7. Organized sports.**

- (a) For purposes of this order, “organized sports” means competitive athletic activity requiring skill or physical prowess and organized by an institution or association that sets and enforces rules to ensure the physical health and safety of all participants (“sports organizer” or “sports organizers”).
- (b) Athletes participating in an organized sport, while on the field of play, are not subject to the social distancing requirements of this order found in sections 2(a) and 6(a)(1), but instead must maintain six feet of distance from one another to the extent compatible with that organized sport, and wear a facial covering except when swimming. Sports organizers shall ensure that athletes comply with this subsection for each organized sporting event.
- (c) Sports organizers should follow the guidance of the Department of Health and Human Services regarding whether and how a sport can be played safely.
- (d) For indoor organized sports competitions, sports organizers must ensure that the live audience is limited to the guests of the athletes with each athlete designating up to two guests. For outdoor organized sports competitions, sports organizers must ensure that either (i) the live audience is limited to the guests of the participants with each athlete designating up to two guests or (ii) the live audience is limited to the extent that 100 people or fewer are gathered for the event including all participants (athletes, coaches, staff, etc.).
- (e) For indoor organized sports, sports organizers must ensure that no concessions are sold at the venue.
- (f) Notwithstanding any other provision of this order, professional sports leagues and teams, including professional athletes engaged in individual sports, may engage in professional sports operations, provided that:
  - (1) No live audiences are allowed, except for staff of the facility at which a sporting event is held and media personnel reporting on, filming, or otherwise documenting the sporting event;

- (2) The activities are conducted pursuant to a COVID-19 safety plan that is consistent with any guidance from the Centers for Disease Control and Prevention and the Michigan Department of Health and Human Services; and
- (3) Participants maintain six feet of distance from one another to the extent compatible with the sporting activity.

**8. Regions 6 and 8.**

- (a) Notwithstanding section 6(a)(3) of this order, an outdoor social gathering or outdoor organized event among persons not part of the same household is permitted in Regions 6 and 8 provided that the gathering or event does not exceed 250 people and complies with the social distancing requirement of subsection 6(a)(1) of this order.
- (b) In Regions 6 and 8, a business or venue whose operations would otherwise be restricted by section 3 of this order may be open to spectators or patrons provided that it:
  - (1) Arranges the venue such that persons not part of the same household may maintain six feet of distance from one another at all times while in the venue; and
  - (2) Limits the number of people in the venue to 25% of its maximum capacity or to 250, whichever is smaller. For purposes of this order, each separate auditorium or screening room is a separate venue.
- (c) In Regions 6 and 8, and notwithstanding the restrictions in subsection (a) of this section, an outdoor concert space, race track, sports arena, stadium, or similar outdoor venue may be open to spectators or patrons provided that it:
  - (1) Arranges the venue such that persons not part of the same household may maintain six feet of distance from one another at all times while in the venue; and
  - (2) Limits the number of people in the venue to 25% of its maximum capacity or to 500, whichever is smaller.

**9. Exceptions.**

- (a) The public accommodations restrictions imposed by section 3 of this order do not apply to any of the following:

- (3) Crisis shelters or similar institutions;

  - (5) Employees, contractors, vendors, or suppliers who enter, use, or occupy the places described in section 3 of this order in their professional capacity.
- (b) The 10-person indoor gathering limitation imposed by section 6(a)(2) does not apply to any of the following:
- (1) Aspects of training of law enforcement, medical, or first responder personnel not capable of being performed remotely;
  - (2) Polling places.
10. **Parks.** Unless otherwise prohibited by local regulation, outdoor parks and recreational facilities may be open, provided that they make any reasonable modifications necessary to enable employees and patrons not part of the same household to maintain six feet of distance from one another, and provided that areas in which social distancing cannot be maintained are closed, subject to guidance issued by the Michigan Department of Health and Human Services.
11. **Pools.** Effective September 9, 2020, unless otherwise prohibited by local regulation, public swimming pools may be open in all Regions, subject to the rules in the Workplace Safeguards order (Executive Order 2020-175 or any order that may follow from it). This section does not apply to waterparks, which are subject to section 3(c) of this order, except in Regions 6 and 8.

14. **Religious worship.** Consistent with prior guidance, neither a place of religious worship nor its owner is subject to penalty under section 18 of this order for allowing religious worship at such place.
