Regulations: Zoning

- Urban Agriculture Ordinance (April 2013)
- Defined
 - Farmers Markets
 - Farm Stands
- Zoning Districts Allowed
- Principal/Accessory Use

Agriculture Ordinance (April 2013)

- Definitions
- Where Allowed
- Operation Standards
- Review Process

Farmers Market: Definition

"A pre-designated non-municipally owned or operated area, with or without temporary structures, where vendors and individuals who have raised the vegetables or produce or have taken the same on consignment for retail sale, sell vegetables or produce, flowers, orchard products, locally-packaged food products and/or animal agricultural products."

Farmers Market: Zoning

- Allowed as a principal use, by-right, in most business districts, industrial districts, and some special and overlay districts
- Allowed as an accessory use where located on the same zoning lot as religious and educational institutions, schools, outdoor rec facilities, and neighborhood centers

Farm Stand: Definition

"A temporary structure, accessory to an urban garden or urban farm for the display and sale of vegetables or produce, flowers, orchard products, locally-produced packaged food products and similar non-animal agricultural products grown or produced on the general property of the urban garden or urban farm upon which the stand is located."

Keep Growing Detroit's *Garden Resource Program*

- 2003 - 70 gardens
- 2011 - 1,385 gardens
 - 437 community
 - 90 market
 - 48 school
 - 810 family

73 varieties of plants
